

CVQG Block of the Month

Instructions provided at April, 2023, meeting
 Turn in the completed block at May, 2023, meeting

Fabric Requirements

A: (background) 24 @ $2\frac{1}{2}$ " square

B: 6 @ $2\frac{1}{2}$ " square

C: 6 @ $2\frac{1}{2}$ " square

D: 8 @ $2\frac{1}{2}$ " x $4\frac{1}{2}$ "

Construction:

Make 2 4-patches with $A \neq B$, 2 4-patches with $A \neq C$, and 1 4-patch with $B \neq C$.

To make the pointed pieces, start by drawing a diagonal line on each of the remaining 16 $2\frac{1}{2}$ " squares. Place a square at the top and the bottom of each D rectangle, making sure the diagonals are both going the same way. It will point left and it will point right. Sew on the marked diagonals and trim off the excess. Sew a left point to a right point to form the pointed square.

Sew rows 1, 2 and 3 together, making sure the pointed squares face towards the outside of the block.

You should have a $12\frac{1}{2}$ " square to turn in.
