Create the Half Square Triangles (HSTs)

1. Make 4 sets of 3" half square triangles, using the following combinations:
2 each – A & D; B & C; A & E; B & E
- a. Draw a diagonal line on the back side of 3 ½" square of fabric D, from one corner to the opposite corner of the square. Place the square Right Sides Together with the 3 ½" square of fabric A.
- b. Stitch ¼" on either side of the drawn line. See Figure A.

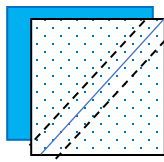

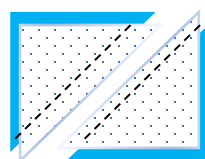

FIGURE A

- c. Cut the squares apart on the drawn line, leaving a ¼" seam allowance. This results in two HST units. See Figure B.
