

The Rules & Stuff

- 1. You must be a member in good standing of Coachella Valley Quilt Guild, Pass Patchers Quilt Guild or the Cactus Sewables Quilt Guild to offer quilts for sale at the Quilters' Attic Booth at the Desert Cities Quilt Show, March 6 & 7, 2027**
- 2. You must own the quilt that you are offering for sale. It can be new, vintage or antique as long as you are the owner, or you made the quilt.**
- 3. The quilts must be clean and in good condition. Antique and vintage quilts are acceptable if they are in good condition for their age.**
- 4. Quilt tops will be accepted if they are of quality construction and condition is good for the era/age of the quilt.**
- 5. Please label all your quilts so that we can identify them. A picture of the quilt is also needed to match your intake form.**
- 6. A hanging sleeve is not required, but we will be hanging several of the quilts on quilt racks for better visibility for the attendees. Additionally, this is a good selling point for buyers.**
- 7. Price all your items at your asking price, and the reserve price (the lowest price you will accept for the quilt). The booth team will do the negotiating for you and try to sell it at the asking price or as close as we can.**
