

Block of the Month – October 2025

Split Rectangles

Block inspiration based on “Two Rectangles” pattern by Ally Ryde, with modifications by Cheryl Taylor and Kathy Pratt.

Fabric Requirements:

Fabric A – (1) piece cut 7 ½” x 14” - solid or blender

Fabric B – (1) piece cut 7 ½” x 14” - print in contrasting/complimentary color

Step 1. Draw a diagonal line on the wrong side of Fabric A from the top right corner to the bottom left corner.

Fabric A

Step 2. Place Fabric A on top of Fabric B with Right Sides Together (RST). Rotate Fabric A to the left, so that the top right point of the diagonal line is aligned with the top left corner of Fabric B. Make sure the bottom left point of the diagonal line is aligned with the bottom right corner of Fabric B. See Diagram 2.

Step 3. Sew ¼” on each side of the drawn line.

Diagram 3.

Step 4. Cut on the drawn line to create two HRTs. Press seams to the dark fabric. This results in two (2) HRTs. Trim to 7" x 14".

Diagram 4.

Step 5. Cut each of the HRTs in half along the width of each HRT, resulting in four (4) squares that measure 7" by 7".

proportionate size*

Step 6. Lay the four (4) squares in the pattern as shown below. Square the block to 13" x 13". When sewn with other blocks, it will result in a 12 ½" x 12 ½" finished block.
