### **President's Message**

Hello Quilters,

What an exciting time of the year for us Quilters!!! We started off with the Riverside County Date Festival, and now in March we have the Desert Guilds Quilt Show. How lucky are we to have two great venues to share the beautiful quilts we all work so hard to make? I worked at the Date Festival selling opportunity quilt tickets. I don't there think there was one person who did not stop by the table and comment on our beautiful opportunity quilt as well as the wonderful display we had of our quilts. It was also fun to have people stop by and watch me work on my English Paper Piecing. I gave away so many of our class listings and business cards. The guild may see a growth spurt in membership!!

The Desert Guilds Show, the first weekend in March, will also be an exciting event. We can still use lots of items for the boutique at the show. If you have any, contact Pat Siegel and she will gladly work with you to pick up your items. This is a huge money-making event for our Guild. It allows us to have wonderful speakers, like Violet Craft, come to our guild and speak.

My term as president is coming to a close. May will be the last "official" meeting I will conduct since our June event is our studio tours. I cannot begin to tell you how proud I am to say I had the opportunity to be President of our Guild. It is such a wonderful, warm, welcoming group of world class quilters and very special people. My thanks to the board and committee chairs who make everything run like a fine watch. And to all our members who contribute to our events and classes. As I have often said, "it takes a village."

We should all be proud of our philanthropy accomplishments. The quilts we donate and the efforts of our friendship groups is just another example of the kindness and generosity of our members. When I meet people, who say they would like to learn to quilt, I say "come to the Guild, our members will be happy to teach you everything you need to know." And I know they will.

Thank you all for your support,

Karon Patterson, President

**MEMBERSHIP REPORT**

The February meeting had 16 guests, 11 new members, 113 members, 19 renewals and a total of 140 present. Lexie Helm won the attendance gift basket. Thank you to my greeters and helpers, Ted Turner, Cheryl Jensen, Annie Houston, Deb Gonsalves, Nadine Gilfillan and other guild members who helped greet visitors and show them around. You all really help make our guests feel welcome.

**Pat Siegel, Treasurer**

It's not too late to make something for the Quilt Show Boutique! The proceeds from the items we sell help to keep our guild as amazing as it is! If you have handmade items you would like to donate, please let me know and I will make arrangements to pick them up.

Your generosity overwhelms me every day!

Thank you.

**Marcia Ulrich, Philanthropy**

Happy Spring, Quilters!

Thank you for the 10 beautiful charity quilts I received at our February meeting. You all put so much love into them. I gave 32 quilts to Barbara Sinatra Children's Center last week. They are always so appreciative when they get them.

I have decided to support the Safe House in Thousand Palms this year. They take children that are homeless and in crisis from 11 to 17 years of age. I am asking for charity quilts for a larger child – I think approximately 54" x 72 will do it. Any quilters who would like to make that size would be so appreciated, as are all charity quilts. If you can only make a pieced top, I thank you and will find someone to help with the quilting. Anyone that would like to just quilt the tops, please let me know.

I am thanking you in advance for your love and generosity.

Marcia Ulrich, Philanthropy Chair

### **Leslie Herbst, Newsletter**

The changeover to our new email platform for distribution of newsletters and other information has been completed successfully. We're now using MailChimp, which is a more secure and more professional method for these communications. One feature that MailChimp offers is to tie in to our website, so that someone who is not currently on our mailing list can automatically opt in to receive the newsletters. Unfortunately, I don't have the technical expertise to install and activate this feature – it requires someone with at least some basic knowledge of html. If anyone out there can help with that, please contact me by sending an email to [newsletter@cvquiltguild.org](mailto:newsletter@cvquiltguild.org), or call me.
