Schedule

March 24th – May 5th

- Week 1 Select Fabric
- Week 2 Cut Fabric, Share Photos
- Weeks 3-5 Sew Blocks!!!
- Week 6 Assembly

Although this is not the same pattern it is interesting in that it uses only blue prints.

It is successful because the fabrics are divided into lights and darks with lights as background and darks for weave.

This version uses Kaffe Fassett woven stripes cut perpendicular to the stripe with denim sashing.
