### **FALL FESTIVAL—Time to Clean Out Your Block Stash**

**For the November Block of the Month, bring in your leftover blocks—you know, the extras that didn't fit in the quilt, the orphan blocks, blocks that weren't the right size or color combo. Even the ones you forgot to bring in for block of the month last month, or last year.**

- **Any size block 6"x6" or larger**
- **Any color combos**
- **Any design or shape**
  
- **No leftovers? Make a block of your choice**
  
- **Bring in as many blocks as you like, but you only get 5 chances to enter the drawing for a stack of blocks**
- **2 or more stacks of blocks will be given to the Philanthropy Committee to be used for quilt kits.**

**This is your chance to clean out your project and block piles, and give them a new home!! Recycle your stuff! And free up time for you to work on your holiday projects!**
